**Monument Unveiling: Promptly as the clock at Old City Hall

A reception will follow

From the incredible October 2013 dinner where we honoured 61 living veterans of the WW II Italian Campaign, to the June 2014 dinner where Gino Farnetti-Bragaglia turned Montecassino Hotel into a sea of tears with his emotional thank you to the families of the soldiers who saved his life during the second world war. We achieved our goal and then some!

We look forward to your presence at this important occasion honouring our veterans.

Grazie Merci Thank you
